WALKERS

HARU SUNJUHATONO

Bün's oldest friend. Was wasting his life caught up in anarchist activity, but came back to the real world at the last moment. Very knowledgeable about bombs & small firearms. Currently, he often finds himself bullied into helping out around Bün's odd jobs agency. Exclusively heterosexual.

BÜN TUNJUHITO TAKAHASHI

Odd jobs man. Lives his life without a game plan. His motto is "Never do today what you can put off to tomorrow." He has a complicated past but doesn't let it bother him. Hardboiled, but don't tell him so.

NAGIKO (NAGIKO TAKAHASHI)

Bün's cousin on his mother's side. Having come to Tokyo to get over a broken heart, she ended up rooming with Bün. It always seems like she's scheming something, but you never can tell. A little bit overbearing.

IS BUN HERE?
